

COMPANY DESCRIPTION

EURO SEATING INTERNATIONAL S.A. is a **European leading seating manufacturer** for cinema, theatre, auditorium, congress, stadium and sport halls, players' benches, VIP stadium areas, etc.

We offer **innovative high-quality seats**. All our seats are made in Europe (Spain) by using materials 100% European origin and we have installed our **seats in 120 countries** all over the world since 1994, when we began operating.

EURO SEATING manufactures its seats by **respecting the environment** in all production processes rigorously. These production methods imply a strategic added value and a firm commitment to **eco-sustainable development**. This philosophy, together with the company's innovative nature, has resulted in materials totally recyclable.

Our **Eco-designed** range must also be highlighted, an **environmentally-friendly** range of seats whose aim is to preserve the natural resources, especially wood, one of the noblest materials which surround us and that shows the importance of respecting and preserving nature.

Since its beginnings up to the present day, and with an eye to the future, Euro Seating has always had _and will have_ an **innovative and exporting nature**. Continually keeping in mind the concepts of: user **COMFORT, DURABILITY** to any use and location and **DESIGN** that brings beauty and **EXCLUSIVITY** in each project.

We have a wide distributors and representatives' network all over the world, including **representative offices and showrooms in Mexico, Germany, Portugal, United Kingdom, Russia, Qatar, Singapore, Saudi Arabia, Canada and Brazil.**

PRESS RELEASE

EURO SEATING is a **European seating manufacturer** for cinema, theatre, auditorium, congress, stadium and sport areas and Stadium. We have installed our **seats in 120 countries** all over the world since 1994, when we began operating with a clear mission: Being a **market reference for seating solutions**.

We would like to share with you some examples of **world reference projects**: <http://www.euroseating.com/en/projects/projects-euro-seating/>

We are delighted to present you five of our innovative seats at Neocon World Trade Fair 2017.

DIAMOND V09 H ROCKER: <http://www.euroseating.com/butacas/cine/roma-comfort-v09-h/>

(ESTA BUTACA TODAVÍA NO LA TENEMOS EN WEB, PODEMOS PONER EL LINK DE ARRIBA QUE ES LA MISMA BUTACA CON DIFERENTE RESPALDO, O ELIMINAR EL LINK)

A comfortable seat with an attractive design. The Roma seat has become consolidated as a benchmark for all types of projects owing to its incomparable versatility and aesthetics. Ideal for cinemas, auditoriums, conference halls, multi-purpose halls, etc.

ETLAN: <http://www.euroseating.com/en/seats/luxury/etlan-luxury/>

Exclusive, stylish seat, the first choice for privilege spaces. It features a luxurious, attractive finish thanks to the excellent quality of the materials, noble and refined touches. Maximum comfort and ergonomics. Ideal for theatres, auditoriums, meeting rooms, hotels, etc.

FUSHION PL: <http://www.euroseating.com/en/seats/auditoriums/fushion-pl/>

A seat with a singular personality which without a shadow of a doubt transmits its principles of creation, i.e. its aesthetic strength, daring nature and the unquestionable quality of the materials it is made from. Ideal for auditoriums, conference halls, theatres, universities, meeting rooms, etc.

FRESH: <http://www.euroseating.com/en/seats/auditoriums/fresh/>

Avant-garde design featuring perforated seat and backrest to enhance ventilation, breathability and less movement, which increases comfort significantly in warm/humid atmospheres. A seat made from innovative materials conferring absolute resistance to extreme conditions. Perfect for inside and outside use.

MICRA: <http://www.euroseating.com/en/seats/auditoriums/micra/>

A versatile, elegant line of seating for places where space is of vital importance. It permits making the most of space without compromising on comfort. Designed for multi-purpose halls, auditoriums, theatres, sports areas...

Since our beginnings up to the present day, Euro Seating has become a market-driven organization that seeks out **innovative new products** in which we can establish a clear differentiation and a competitive advantage.

At Euro Seating we consider necessary **to reinvest constantly in R & D** and innovation so our seats are always in the forefront of all the market sectors: auditorium and congress, sport projects, theatre, cinema, worship, etc.

Always keeping in mind the concepts of: user **COMFORT, DURABILITY** to any use and location and **DESIGN** that brings beauty and **EXCLUSIVITY** in each project.

Thanks to that, nowadays we are **leaders in the international market for quality, design, technology, innovation and competitiveness, being present in 120 countries.**
