

About GANDIABLASCO

GANDIABLASCO is a modern European outdoor furniture company established in Spain in the 1940's. The company is present in 75 countries and every continent, with showrooms and dealers throughout the world. Its stunning collections, designed by the industry's top international designers such as Patricia Urquiola, Mario Ruiz and Neri&Hu, are comprised of a variety of dining, lounging and shade options that facilitate luxurious outdoor living. With durable materials and innovative designs, their products bring a bit of Mediterranean to any environment.
