

SOL&LUNA
the art of leather

Sol&luna will be presenting in exclusive the iconic Menina covered in leather during the show ICFE in NY (19-22 May 2019)

The iconic Menina of 1,65cm height designed by Felipao lined in red leather by Sol&luna

If Sol & Luna is known **for the Art of Leather** in its work of luxury craftsmanship, it was an opportunity to have the renowned interior designer **Felipao**, to gather professionalism and knowledge by making a limited edition, of the Iconic Menina designed by **Felipao** but, this time, fully lined in leather by the artisans of Sol&luna.

This work is the first Menina Poliédrica worldwide, its body is built on 448 different faces, no artist had used this technique, until now, to interpret the Velazquez icon.

Felipao is an artist who feels very comfortable in giving life to his sculptures. Carolina Sánchez de Movellán from Sol&luna says: "This art of leather, together with an innovative and unique design, makes this Menina an iconic piece".

Felipao's Menina: a unique and extraordinarily innovative interpretation.

Available in three sizes: 32 cm height/ 52cm height/1,65cm height.
